Specifications

SCOPE OF WORK

(Upgradation, Repair and Relocation – Works Contract)

The work comprises the construction, upgradation, repair, and internal relocation of the Staff Canteen / Officers Mess at the Pakistan Meteorological Department, using **prefabricated material**. The contractor shall execute all works in accordance with approved specifications and drawings (if any). No new civil construction materials shall be procured; all structural, partition, and fixture work shall be completed using existing or refurbished materials sourced from the premises or designated sources.

The contractor shall be responsible for dismantling any existing structures or fixtures as required, transporting, and reconstructing them in the designated new location, ensuring functional and operational readiness. Minor repairs and adjustments necessary to reuse the materials effectively, including alignment, fitting, and finishing, shall be carried out by the contractor. The vacated areas shall be restored to a neat and usable condition.

Electrical works shall include repair, modification, and adjustment of existing wiring, switches, sockets, lighting points, distribution boards, and earthing arrangements, ensuring safe and serviceable operation. Sanitary and plumbing works shall include repair and adjustment of existing water supply lines, drainage, soil, waste, and vent pipes, and sanitary fittings. All work shall be confined to refurbishment, reconstruction, and adjustment; no procurement of new electrical or plumbing items is included.

The relocation of the canteen and officers mess shall involve dismantling, internal transportation, and reinstallation of all existing structures, partitions, fixtures, and services. The reconstructed facility shall be fully operational, structurally sound, and aesthetically acceptable. Final testing, defect rectification, cleaning, and handover shall complete the contract scope.

The contractor shall provide all labor, tools, equipment, scaffolding, and consumables incidental to the execution of the works. The entire contract is strictly limited to refurbishment, reconstruction, repair, and relocation works using **prefabricated materials**.

BILL OF QUANTITIES (BoQ)

(Refurbishment, Reconstruction & Relocation – Works Only)

The Bill of Quantities covers all repair, refurbishment, reconstruction using refurbished materials, and internal relocation of the Staff Canteen / Officers Mess. Quantities are provisional, and payments will be made on the basis of actual measurements verified at site. Rates shall include all labor, tools, equipment, scaffolding, and incidental costs.

The BoQ includes:

- Dismantling of existing structures, partitions, and fixtures.
- Reconstruction of canteen/mess structures and partitions using refurbished materials.
- Refurbishment of existing finishes (walls, floors, ceilings, woodwork) using reusable materials.
- Repair and adjustment of existing electrical installations including wiring, switches, sockets, lighting points, distribution boards, and earthing.
- Repair and adjustment of existing plumbing and sanitary works including water supply lines, drainage, soil, waste, and vent pipes, and sanitary fittings.

- Internal relocation of all structures, partitions, fixtures, and services to the designated area.
 - Restoration of vacated areas to a neat and functional condition.
 - Final testing, defect rectification, cleaning, and handover.
-
